

Tricky Problem

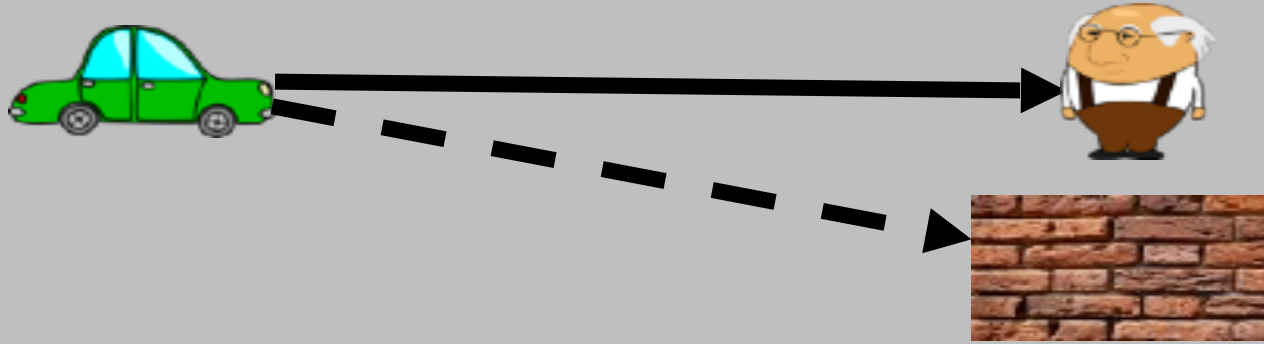

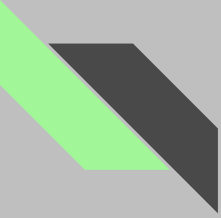

- People have different opinions about what to do in subtly different scenarios

- There are also other uncertainties to consider:
 - Car might slow enough to “safely” hit wall
 - Pedestrians might move
 - Does number of people in the car matter?

Trolley Problem

- People have different opinions about what to do in subtly different scenarios
- There are also other uncertainties to consider:
 - Car might slow enough to “safely” hit wall
 - Pedestrians might move
 - Does number of people in the car matter?

Trolley Problem
